## Description

MARWOOD REST HOME INC. is a nursing home. It provides medical nursing service for seniors with serious illnesses or disabilities twenty-four hours a day, delivered by registered nurses, licensed practical nurses, and certified nurse aids.

Nursing care facilities cater to several types of patients: some patients require short-term rehab while recovering from surgery; others require long-term nursing and medical supervision. In addition, some nursing homes offer specialized care programs for Alzheimer's or other illnesses, or short-term respite care for frail or disabled persons when a family member requires a rest from providing care in the home. Please note that you can help compare nursing homes by looking at the Medicare ratings of a given facility (Medicare has a 5-star rating system for comparing nursing homes). There are various ways for paying for care in a nursing home. Make sure you know your loved one's Medicare and Medicaid eligibility, and understand how you can use tools like long term care insurance to pay for nursing home care.

Also, MARWOOD REST HOME INC. facility provides Alzheimer's care. This means it has special safeguards for wandering seniors, and caregivers are trained in handling dementia behaviors.

Also, MARWOOD REST HOME INC. care provider provides hospice care. Hospice care is an infusion of home care and facility care provided to benefit terminally ill patients and support their families through their tough times.

Also, MARWOOD REST HOME INC. is a skilled nursing facility (SNF). It is primarily engaged in providing skilled nursing care and related services for residents who require medical or nursing care; or rehabilitation services for the rehabilitation of injured, disabled, or sick persons.

Skilled nursing facilities cater to patients who either need short-term rehab while recovering from surgery; or require long-term nursing and medical supervision. Skilled Nursing facilities are very often associated with area hospitals.
